

1. If taught on memory level of teaching, the students get tremendous power for acquisition of:
(i) factual information
(ii) generalized insight
(iii) problem solving abilities
 - (A) Only (ii)
 - (B) Only (i)
 - (C) (i) and (ii)
 - (D) (ii) and (iii)
2. The teacher should choose teaching method considering:
(i) Nature of the learners
(ii) Nature of the objectives to be realized
(iii) The teacher's own ability and proficiency
 - (A) Only (i)
 - (B) (i) and (ii)
 - (C) (i), (ii) and (iii)
 - (D) Only (ii)
3. What is the main characteristic of gifted students?
 - (A) They are introvert in nature
 - (B) They are dependent of their peers
 - (C) They are extrovert in nature
 - (D) They are independent in their judgement
4. For adult learners, instruction needs to focus:
 - (A) equally on the process and the content to be taught
 - (B) less on the process and more on the content to be taught
 - (C) more on the process and less on the content to be taught
 - (D) equally on the process and the product of learning
5. Which evaluation gives a clear idea about understanding of the student regarding particular content?
 - (A) Placement
 - (B) Formative
 - (C) Summative
 - (D) Diagnostic
6. Which is characteristic of qualitative research?
 - (A) Emphasis on numerical data
 - (B) Focus on statistical analysis
 - (C) In-depth exploration of meanings and experiences
 - (D) Strict adherence to experimental designs
7. Which is a limitation of positivism in research?

- (A) It ignores the importance of empirical evidence
- (B) It tends to oversimplify complex social phenomenon
- (C) It places too much emphasis on subjective interpretations
- (D) It encourages bias and personal opinions in research

8. What is referred to as citation in academic writing?

- (A) A reference to the author's personal experiences
- (B) A way of giving proper credit to the original source of information
- (C) A fictional element added to enhance the narrative
- (D) A personal opinion included without supporting evidence

9. Which type of research misconduct involves making up or falsifying data?

- (A) Plagiarism
- (B) Fabrication
- (C) Misinterpretation
- (D) Biased sampling

10. Which ICT tool is essential for creating and managing bibliographies in research papers?

- (A) Statistical software
- (B) Reference management software
- (C) Spreadsheet software
- (D) Project management software

11. The given passage states that Mahatma Gandhi largely succeeded in

- (A) fighting against social discrimination in India
- (B) eradicating economic inequalities in India
- (C) moulding the millions in India
- (D) giving political representation to Indians

12. What do you understand by the phrase “to be rid of ”?

- (A) Released/freed from something
- (B) Tied to something
- (C) Increased something
- (D) Included something

13. What did Mahatma Gandhi represent?

- (A) Poverty of India
- (B) Working class movement in India
- (C) The natural historical stage of development of India
- (D) The spirit and honour of India

14. The main contribution of Gandhi to India has been

- (A) strong arguments
- (B) the powerful movements
- (C) vociferous speeches
- (D) intermittent fasts

15. What, do you think, is the correct meaning of the term “bourgeois”?

- (A) Working class with utilitarian values
- (B) Agrarian class with moral values
- (C) Middle class with conventional, conservative and materialistic values
- (D) Lower class with no fixed values

16. Which of the following messages is less likely to be misunderstood or misinterpreted due to cultural or linguistic background of the receivers of the message:

- (A) message full of written words
- (B) message full of spoken words
- (C) message full of body-gestures
- (D) message full of iconic signs

17. In the context of contemporary digital parlance what are the following symbols collectively called as: :-) :-{ ;-) :-x

- (A) Emoji
- (B) Emoticons
- (C) Smiley
- (D) Stickers

18. In the context of non-verbal communication identify the incorrect statement:

- (A) Silence is a means of communication
- (B) Non-verbal cues and messages are easy to control
- (C) Non-verbal messages are culture sensitive and relative
- (D) In case of confusion, people tend to trust non-verbal communication more than the verbal

- (A) It is the national level news channel under Door Darshan
- (B) It is a news broadcasting service of All India Radio (AIR)
- (C) It is the association of private broadcasters in India
- (D) It is India's state owned Public Broadcaster

20. Which of the following elements is facilitated much more in a communicative situation wherein teacher and students are sitting together in a circular manner facing each other?

- (A) effectiveness of the content of teaching
- (B) teacher's power to control every student

- (C) discipline amongst the students
- (D) level of interactions between the students

21. What is the arithmetic mean of the integers from 1 to 51?

- (A) 24
- (B) 25
- (C) 26
- (D) 27

22. If $10m$ (m is positive integer) divides the product of the integers from 101 to 151, then the maximum value of m is:

- (A) 12
- (B) 13
- (C) 11
- (D) 10

23. Among the three numbers, $X=188181811881$, $Y=881181811818$, and $Z=811881188118$, which numbers are divisible by 18?

- (A) X only
- (B) Y and Z only
- (C) Z only
- (D) X, Y and Z

24. A person was working to transfer bricks from a place X to a place Y, where the distance between X and Y is 200 meters. At a time the person was carrying 15 bricks. Starting from the place X, after travelling 5.5 km while working, how many bricks were shifted to the place Y by the person?

- (A) 190
- (B) 195
- (C) 210
- (D) 215

25. There are 64 deer in a forest in the present year. If $x(n)$ denotes the number of deer in the forest in year n and that $x(n)=32x(n-1)$ for $n=1,2,3,\dots$, how many deer are there in 5th year in the forest?

- (A) 96
- (B) 486
- (C) 243
- (D) 339

26. Which of the following conclusion/s is/are valid based on the statements given below?

Statement I : Some tigers are goats.

Statement II : All political leaders are intelligent.

Conclusion 1 : Some goats are not tigers.

Conclusion 2 : Some political leaders are intelligent.

- (A) 1 only
- (B) 2 only

- (C) 1 and 2 both
- (D) Neither 1 nor 2

27. Some buses are standing facing the bus stand. Thane bus was ahead of Nasik bus, which was ahead of Jalgaon bus. Amravati bus was behind Dhule bus, but ahead of Thane bus. Which is the second last bus from behind?

- (A) Thane
- (B) Jalgaon
- (C) Nasik
- (D) Amravati

28. In a code language if JKLM is coded as OSVX, then how DEFG will be coded in the same language?

- (A) ILNQ
- (B) JLNP
- (C) KMOR
- (D) IMPR

29. In a code language if DAC means 635, then what will be the code for FEG?

- (A) 879
- (B) 678
- (C) 587
- (D) 897

30. While facing south, Virat walks 15 meters and then turns to his right and walks 10 meters. From there he turns to his right and walks 15 meters. Then he turns to his left and walks 15 meters. Which direction is he facing now and how much away from the starting point?

- (A) East, 15 meters
- (B) West, 25 meters
- (C) North, 15 meters
- (D) South, 40 meters

31. What is percentage of total number of tourists visiting Agra?

- (A) 33.33%
- (B) 25.00%
- (C) 16.67%
- (D) 10.00%

32. Which type of tourists found maximum at Delhi?

- (A) American
- (B) English
- (C) French
- (D) Other

33. The information in the table is to be represented diagrammatically using Pie diagram. What will be the angle of the sector representing item labour?

- (A) 50°
- (B) 30°
- (C) 90°
- (D) 25°

34. What is the ratio of expenditure of the item cement and bricks to the total expenditure of construction of house?

- (A) 1 : 3
- (B) 1 : 4
- (C) 2 : 5
- (D) 3 : 10

35. What will be the nature of curve plotted by points (X, Y) = (1,60), (2,30), (3,20), (4,15), (5,12)?

- (A) Straight line
- (B) Parabola
- (C) Hyperbola
- (D) Exponential curve

36. Identify the correct pair from the following:

- (A) Pxl – unit of focus of digital cameras
- (B) HDD – unit of high definition of digital screens
- (C) Kbps – unit of data transfer rate
- (D) Ghz – unit of memory storage on digital devices

37. When you access a site with 'https' instead of 'http' in the address bar, it primarily means:

- (A) You are accessing a speedy connection
- (B) You are accessing a secure communication
- (C) You are accessing a single data line transfer
- (D) You are accessing a smartphone friendly website

38. Which of the following shows the correct chronological order of the first launch of these internet based facilities?

- (A) YouTube, Gmail, Instagram, Wikipedia
- (B) Wikipedia, YouTube, Gmail, Instagram
- (C) Gmail, Wikipedia, YouTube, Instagram
- (D) Wikipedia, Gmail, YouTube, Instagram

39. Which of the following has not been appointed as a national coordinator for SWAYAM to ensure the quality of the course content?

- (A) Indian Institute of Science (IISc)
- (B) National Institute of Open Schooling (NIOS)
- (C) Indian Institute of Management, Bangalore (IIMB)
- (D) Consortium for Educational Communication (CEC)

40. In the context of 'Web 2.0' digital environment what does the abbreviation UGC stand for?

- (A) University Grants Commission
- (B) User Generated Content
- (C) Unique Graphic Coding
- (D) Universal Graphic Chip-set

41. When were Millennium Development Goals (MDGs) adopted by the United Nations?

- (A) 1990
- (B) 1995
- (C) 2000
- (D) 2010

42. What is the target year for achieving the Sustainable Development Goals?

- (A) 2020
- (B) 2025
- (C) 2030
- (D) 2040

43. Which of the following is the effect of photochemical smog?

- (A) Headaches, eyes, nose and throat irritation
- (B) Gastrointestinal disorders
- (C) Renal disorders
- (D) Bone disorders

44. What is the term for the process of inoculating microbes into soil?

- (A) Bioventing
- (B) Biostimulation
- (C) Bioaugmentation
- (D) Biosparaging

45. Which component of a solar panel is responsible for directly generating electric current when exposed to sunlight?

- (A) Inverter
- (B) Semiconductor material
- (C) Reflectors
- (D) Batteries

46. Environmental Education is not just awareness and knowledge, but it is also development of

- (A) Deeper knowledge
- (B) Theoretic knowledge
- (C) Proper attitude

- (D) Proper concepts

47. Indian education system generally is divided into following periods:

- (A) Vedic period, Buddhist period, Muslim period, British period, Post-Independence period
- (B) Hindu period, Buddhist period, Jain period, Muslim period, British period
- (C) Vedic period, Ramayan period, Mahabharat period, Jain period, British period
- (D) Upanishadic period, Puranas period, Buddhist period, Muslim period, Modern period

48. In correspondence education system the following things are included:

- (A) Only guiding instructions
- (B) Only solved answers through letters
- (C) Guiding instructions and solved answers
- (D) Guiding instructions, solved answers and occasional lectures

49. The First Open University was started in 1969 at

- (A) Chicago in America
- (B) Milton Kenis in England
- (C) Paris in France
- (D) Delhi in India

50. According to Muslim System of Education, 'Madarsa' is supposed to be the centre of

- (A) Primary Education
- (B) Secondary Education
- (C) Higher Education
- (D) Technical Education
